Did you see?
Kyaaa~

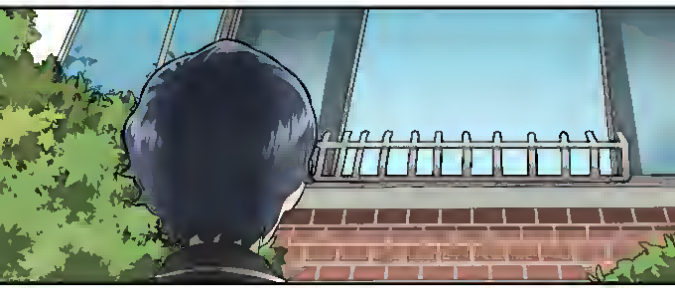
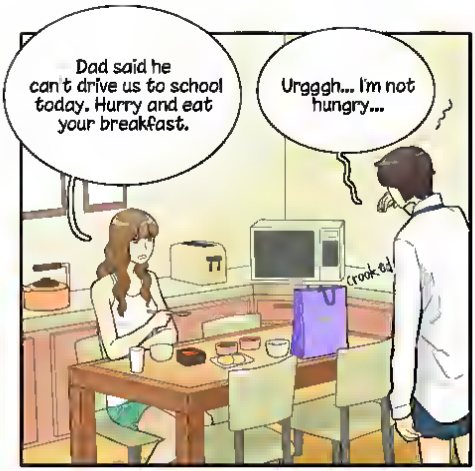
So handsome~

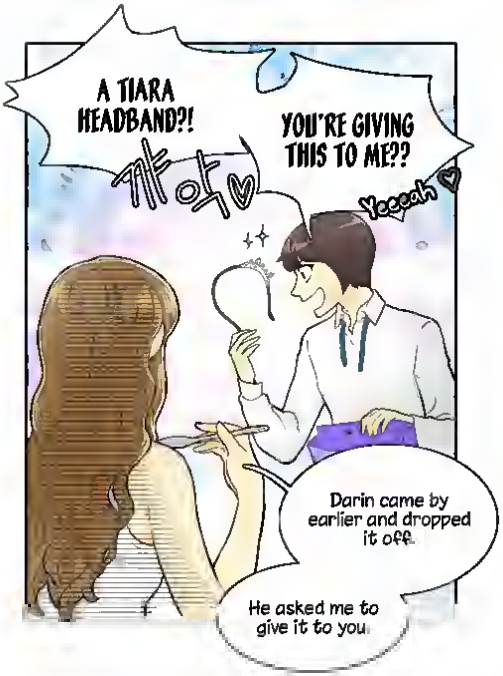


Hey Strawberry! Hurry up and come here!



Dad said he can't drive us to school today. Hurry and eat your breakfast.
Urgggh... I'm not hungry...
crook-ed!

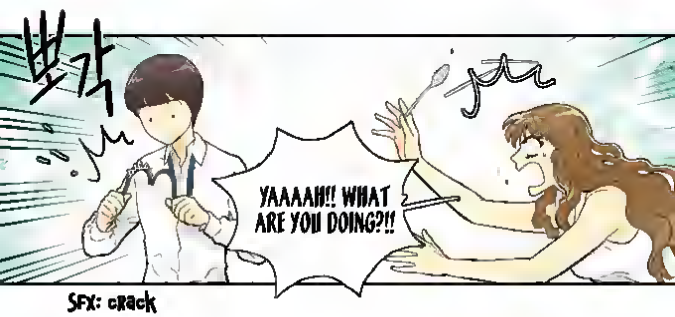
Huh?
What is this? Did you buy it?
It's yours.
Open it.
AESTINA



A TIARA HEADBAND?!
YOU'RE GIVING THIS TO ME??
Yeeeah
Darin came by earlier and dropped it off.
He asked me to give it to you.

...Mandarin Kim?
That's right~ So diligent.

Isn't that the headband that you really wanted for a long time?
Perfect~ Good for you.



뽀각
YAAAAH!! WHAT ARE YOU DOING?!!

SFX: crack

Do you know how much this costs..?
I'm going to school.

Whoa... What a temper...

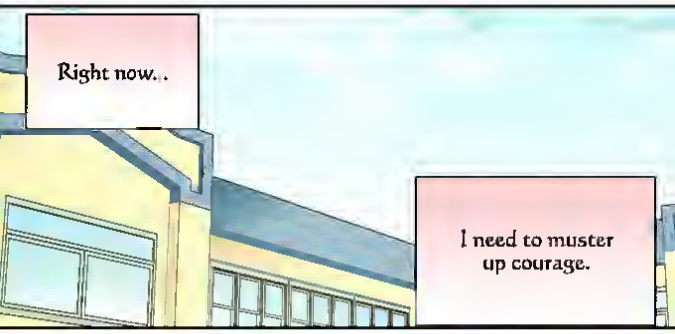
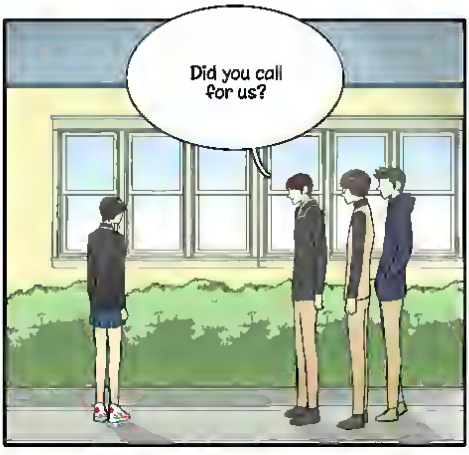
Mandarin Kim...

Let's not think about him... Let's not think about him...
slap
slap



Right now...
I need to muster up courage.



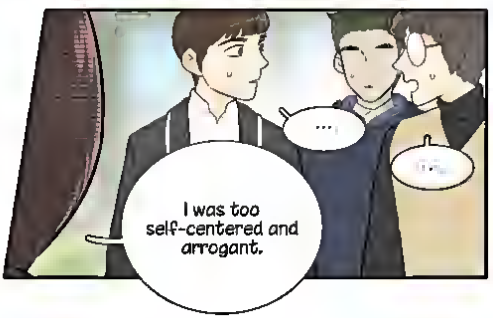
Did you call for us?

Do you think we're still part of your fan club? Why are you ordering us around?
We're busy people, you know?

It looks like you still don't know the situation you're in right now.
Even if you had ten mouths you still shouldn't have anything to say to us...
I'm really sorry...
Surprised

I came because I wanted to apologize to you guys.

I'm sorry... for throwing away...
the presents...

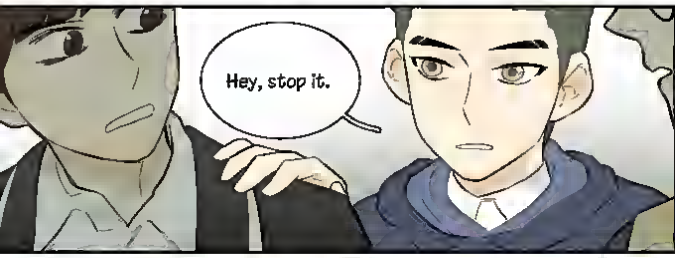


...
I was too self-centered and arrogant.

I don't know what I have to do, to appease your anger, but...
I want to try...

Are you joking?
If you were going to apologize like this, why in the world did you do that in the first place?

DO YOU THINK WE'RE A JOKE?!
DO YOU THINK IT'S ALL OVER AS SOON AS YOU APOLOGIZE?



Hey, stop it.

What did I do wrong?! Strawberry Shin keeps...
Put your hand down first. Do you want to get in trouble?

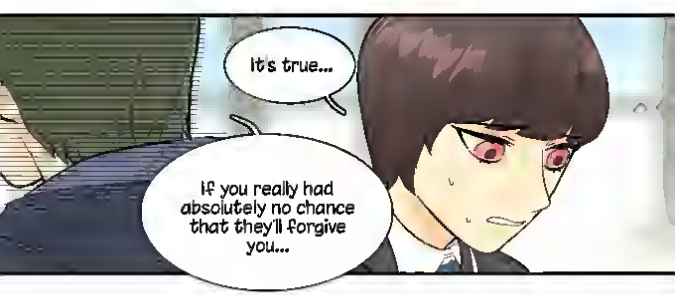
Strawberry Shin, can't you read the mood?
Are you trying to make yourself feel better by voluntarily taking in all that anger?

Or maybe you want to be the victim by taking some punches from us.
I'm sorry, but we're not that stupid.
What are you...? That's not it!

Punching...
We're not going to do... something as stupid as that.
Let's go. There's nothing for us to hear anymore.

Yeah, I don't even want to listen anymore.
Let's go.
I- I...
really don't have any other objective...

I just wanted to apologize...
Really...

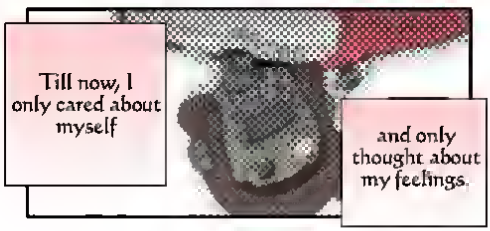


It's true...
If you really had absolutely no chance that they'll forgive you...

they wouldn't even bother getting mad.
Once they cool their heads down a little,
maybe they'll listen to what you have to say.

They were actually caring about me ..

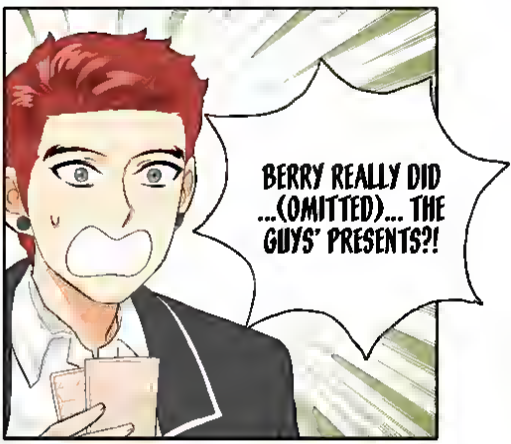
Even after I did something like that...



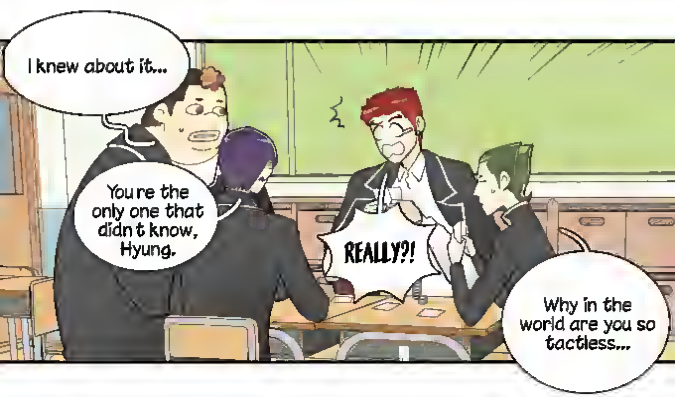
Till now, I only cared about myself
and only thought about my feelings.

So embarrassing...

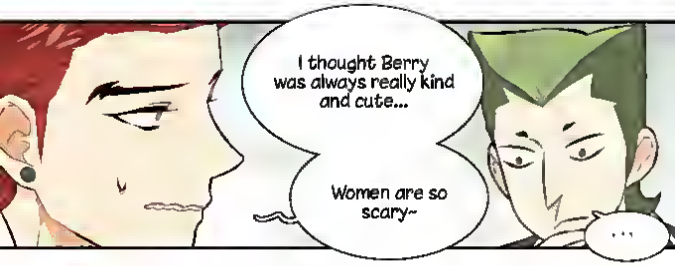
1 - 5
WHAT?? ARE YOU SERIOUS?!



BERRY REALLY DID ...(OMITTED)... THE GUYS' PRESENTS?!



I knew about it...
You're the only one that didn't know, Hyung.
REALLY?!
Why in the world are you so tactless...



I thought Berry was always really kind and cute...
Women are so scary~
...

Well... Do you think Berry intended it from the start?

When someone receives kindness all the time, they take that kindness for granted.

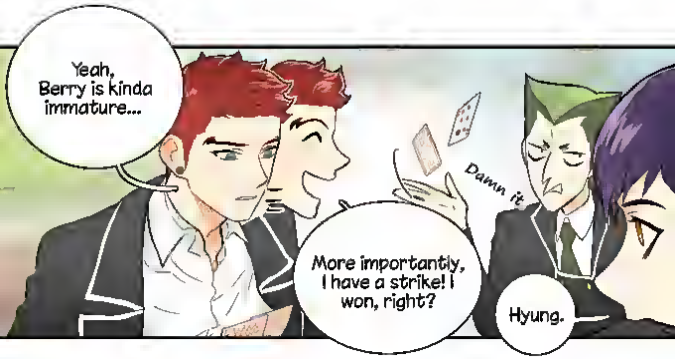
She probably became conceited because of all the attention given to her.



Yeah, Berry is kinda immature...

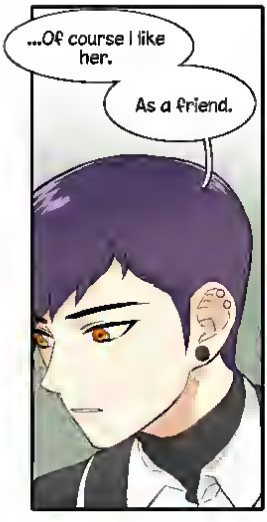
More importantly, I have a strike! I won, right?
Hyung.

It s true that Strawberry Shin is immature, cowardly, selfish and idiotic, but...
I didn t take it that far.
she s not a bad kid.

Oh ho~ Are you protecting your girlfriend?
Our Wally is grown up now, dating girls and all.

I've said I'm not like that with Berry!
Hey, Wally.

You really don't like Strawberry even a little bit?



...Of course I like her.
As a friend.

Right~?

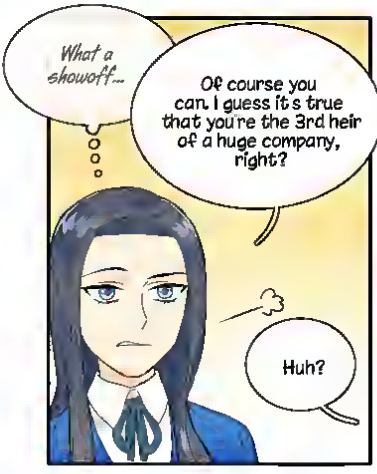
Holy shit, it's real gold...

I can't accept something sa expensive and overwhelming.
It's okay, accept it.
'Cause I can give you hundreds and thousands of them.

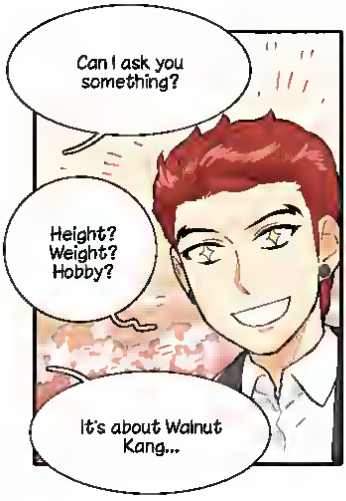


What a showoff...
Of course you can. I guess it's true that you're the 3rd heir of a huge company, right?
Huh?

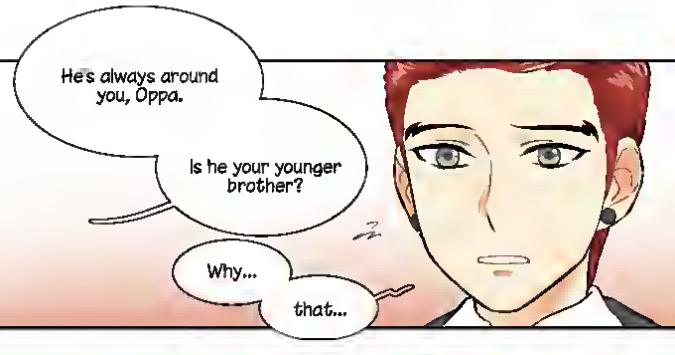
Wh-Where did you hear that?
The whole school knows about it.
Isn't it true?

It's not that it's false...
it's just a rumor, you know?
Things can get pretty exaggerated.

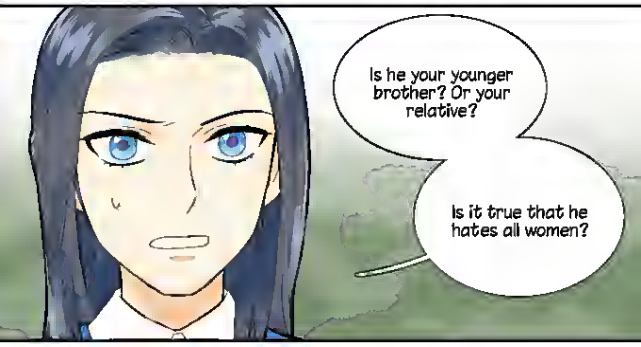
Trying to feign innocence, are you..?
No, that's not what's important right now..
.....



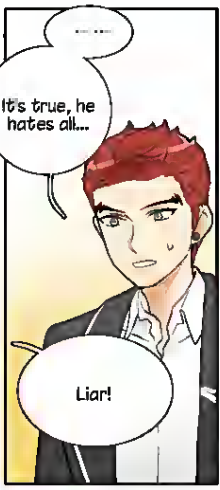
Can I ask you something?
Height? Weight? Hobby?
It's about Walnut Kang...



He's always around you, Oppa.
Is he your younger brother?
Why... that...

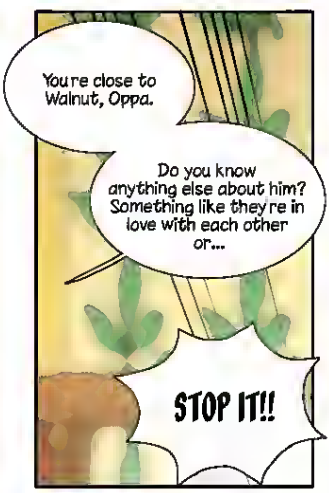


Is he your younger brother? Or your relative?
Is it true that he hates all women?



.....
It's true, he hates all...
Liar!

I saw him with Strawberry Shin with my own two eyes!



You're close to Walnut, Oppa.
Do you know anything else about him? Something like they're in love with each other or...
STOP IT!!

IT'S BEEN A LONG TIME SINCE WE'VE SEEN EACH OTHER AND YOU ONLY WANT TO ASK ABOUT WALLY?!
I... I've been waiting so long for this moment to come...

I know that marrying this instant is too rushed.
I just want you to truly think of me and our relationship.
I feel so empty even when I'm beside you because there is so much I don't know about you.
Please tell me your true feelings...

T/N: Starting here, she drops honorifics.

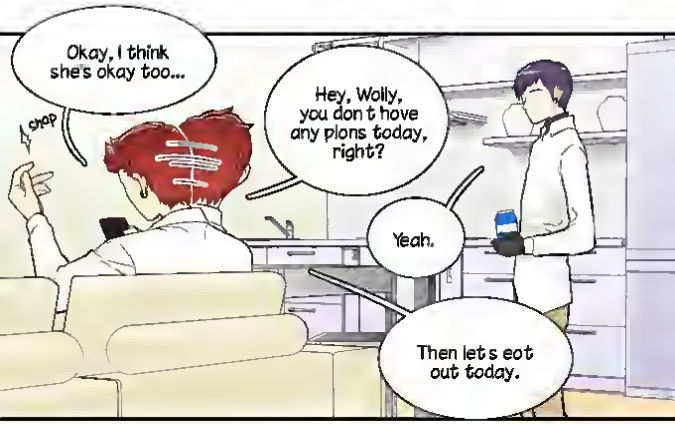
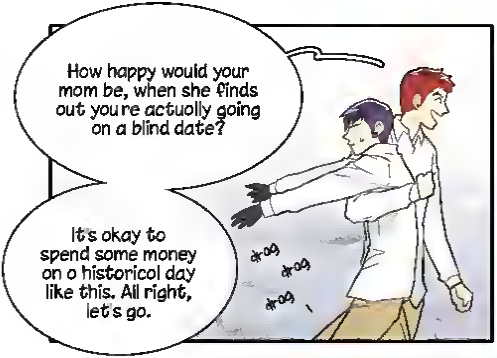
Hey, Narae. This is Pear-oppa. You don't have a boyfriend, right? I can set you up with someone.
...
He's my cousin. Uh, he's not a playboy. He hasn't doted before.
All right~ Think about it~ Bye bye!



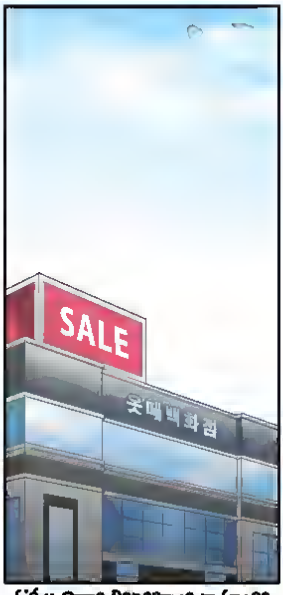
Okay, I think she's okay too...
snap
Hey, Wolly, you don't have any plans today, right?
Yeah.
Then let's eat out today.

I set up a blind date for you tomorrow. Let's go out and buy some clothes, too.
I'll choose for you.

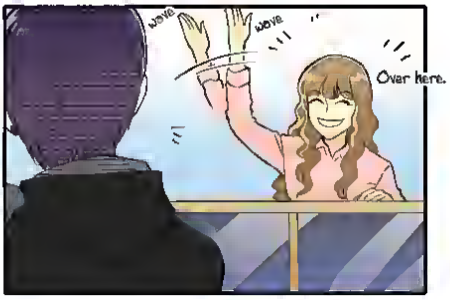
I'm okay. I have plenty of clothes anyways...
You're just using this as an excuse to go on a shopping spree, right?
Come on, so what?
No.

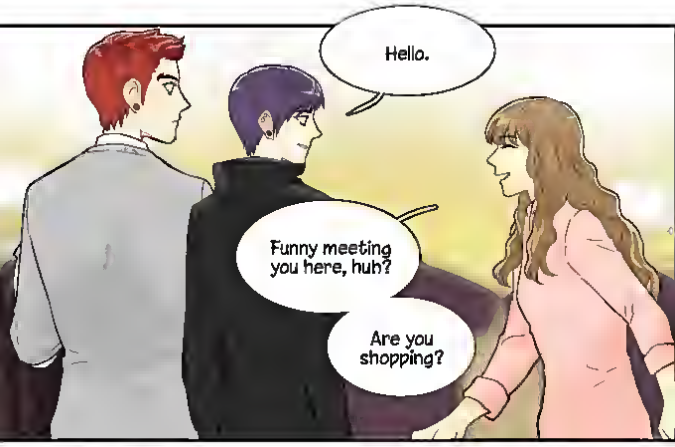


How happy would your mom be, when she finds out you're actually going on a blind date?
It's okay to spend some money on a historical day like this. All right, let's go.

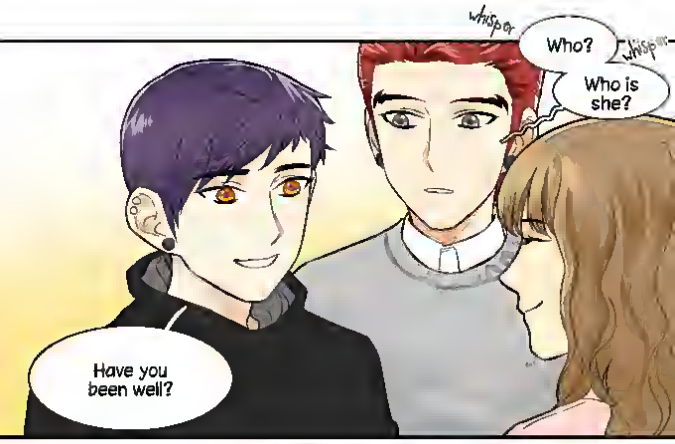


Sign: Otte Department Store
(parody of Lotte Department Store.)





Hello.
Funny meeting you here, huh?
Are you shopping?



whisper
Who?

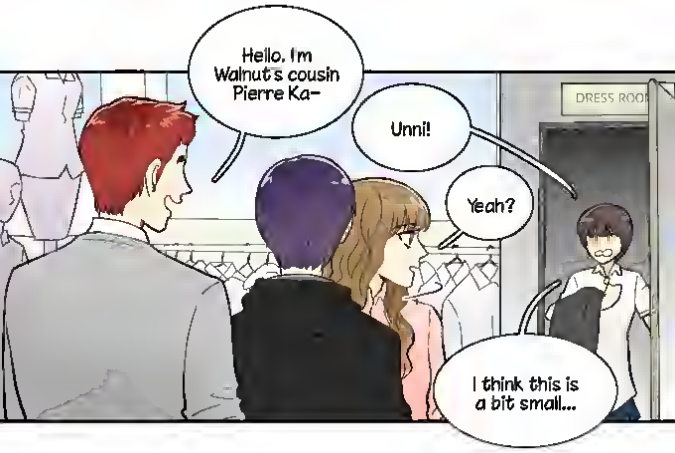
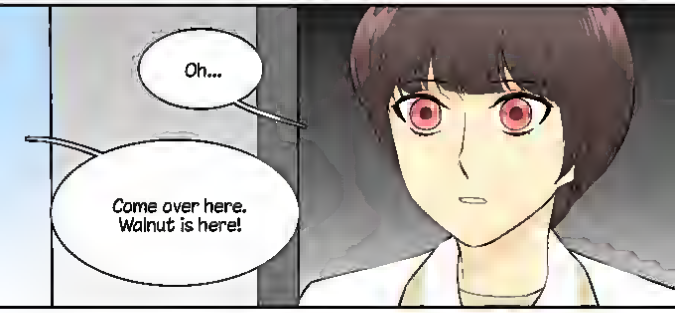
Who is she?
Have you been well?

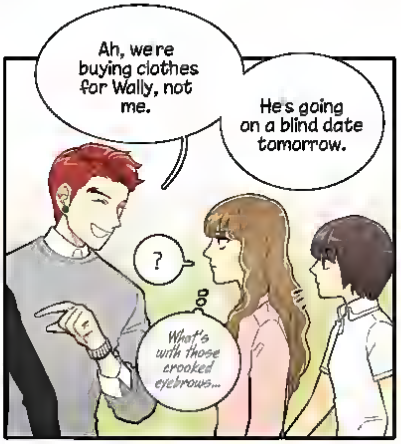


Hello. I'm Walnut's cousin Pierre Ka-
Unni!
Yeah?
I think this is a bit small...
DRESS ROOM



Oh...
Come over here. Walnut is here!

Hi, Berry~!
We're here to buy clothes, too.



Ah, we're buying clothes for Wally, not me.
He's going on a blind date tomorrow.

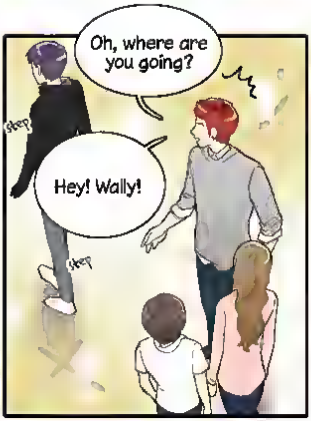
What's with those crooked eyebrows...



Oh, where are you going?
Hey! Wally!
Beep

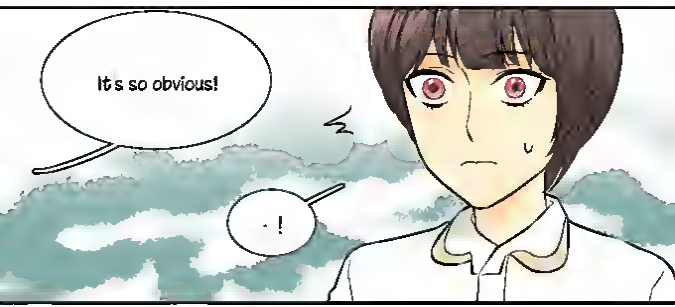
See you at school, Berry.
Bye bye, beautiful Noona~

Wally is going on a blind date .?

Hey, did something happen between you two? Why is Walnut acting like that?
What? Why do you ask?
What do you mean why?

You can tell that Walnut likes you right when you see him.
How do you know something like that...?

Are you blind?
Wide open
You can just tell!



It's so obvious!

How long are you going to keep your mouth shut?

Why are you so confident after cheating on me?
She went to middle school with you, right?
Stop it now.

SFX: yank

Stop being so disgusting.
I'm already disoppointed enough.

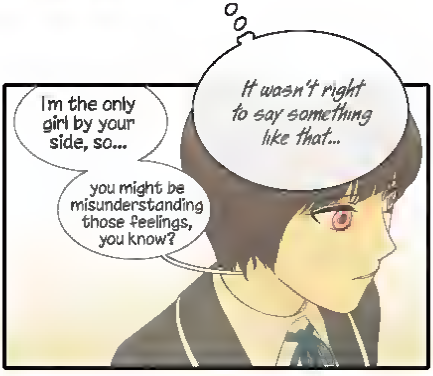
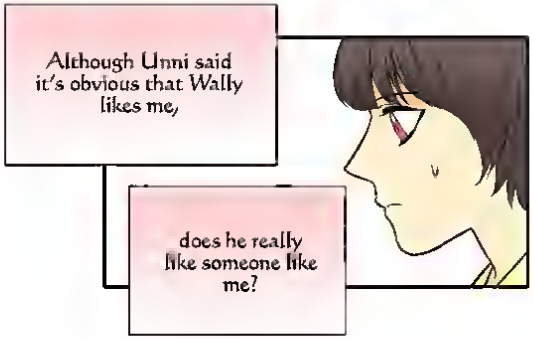
He's not picking up.. Is he mad?
gulp ...



I'm the only girl by your side, so...
you might be misunderstanding those feelings, you know?
It wasn't right to say something like that...



Although Unni said it's obvious that Wally likes me,
does he really like someone like me?

What is Walnut thinking, and what I should do...
I don't know the answer to either...

I didn't even have time to think when it was with Mandarin...
Strawberry Shin!

I can't live while I'm indebted to someone.
Is there anything I can do for you?
I- It's okay.

You've helped me more than once or twice. I owe you.
um

Th-then...
Say my name ten times.

Huh?
Uh... I-it's nothing.
I was just saying it.

Hmm~

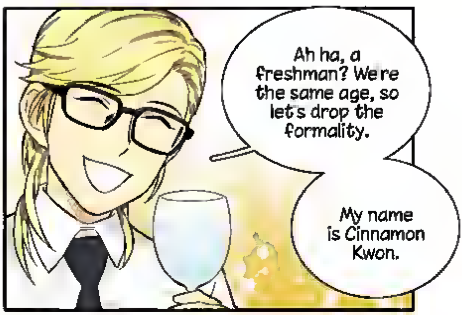
I'm sorry.

It's not your fault, but you're apologizing?
You have a great personality...
Would you like to go on a blind date with my younger sister?
No thank you, not in the mood any-more?

Then let me apologize. I'll buy you lunch.
I'm sorry? Oh no, it's okay.
Don't be like that and follow me~ I heard there's a pretty good restaurant around here.



Ah ha, a freshman? We're the same age, so let's drop the formality.
My name is Cinnamon Kwon.

O-Okay...
The atmosphere around here...
...is a little weird for two men eating together...

But you really don't have a girlfriend?
You look like you'd be really popular though.
Don't have one.

Then you're saying you really haven't been on a date before?
Yep.

What about someone you like?

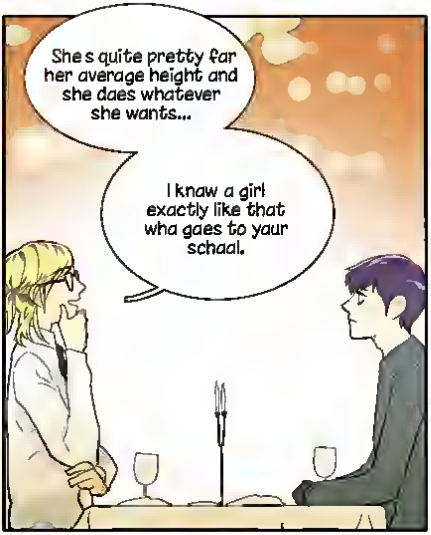
Looks like you have someone...

Does she go to your school?
Yeah.
Pretty?
In my eyes.
Is she tall? How's her personality?
Her height is average...

Yaaaay
Her personality is a little...
Very...
She does whatever she wants to do.

Ah!
I think I know who she is!

I didn't even tell you her name yet...
My childhood friends go to your school!
Sousage Fest doesn't have a lot of female students, right?
After listening to your description, I have a feeling I know who she is!



She's quite pretty for her average height and she does whatever she wants...
I know a girl exactly like that who goes to your school.

Cherry Kim! Am I right?
Point

Wrong.
What's with this guy...
Give up on her.
I know her really well because we live in the some neighborhood.
How did you end up falling for a bad girl like her?

All right.
I have something to tell you anyways.

My class ends early today, so I'll come to your class after it ends.
Okay...

Text me when it ends.
Okay~

드르륵

SFX: Rattle

The summer uniform...
suits her well...

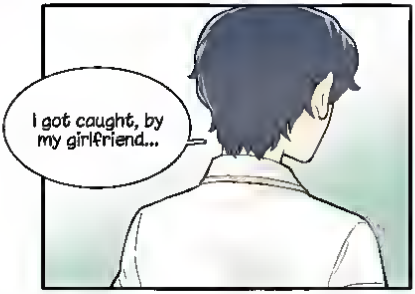
I was expecting him to say he has nothing to say to me
Wasn't he mad at me?
Then why did he go on a blind date and ignore all my calls?
And what is it that Wally wants to tell me?

I-is it that liking me was all a joke?
Or he met a girl far better than me on the blind date and finally came to his senses?
URRRGH
If that's not it either, maybe..

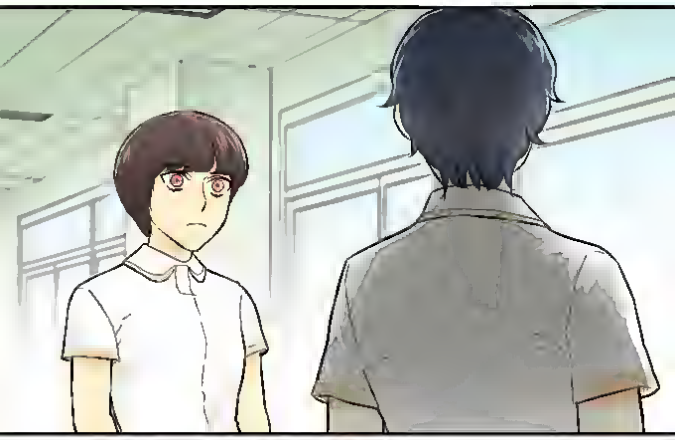
Are you coming back from meeting Walnut again?

You're unbelievably amazing, you know...
You shouldn't even be able to talk to me if you're even sorry.
I'm sorry.

I came to you for the last time.

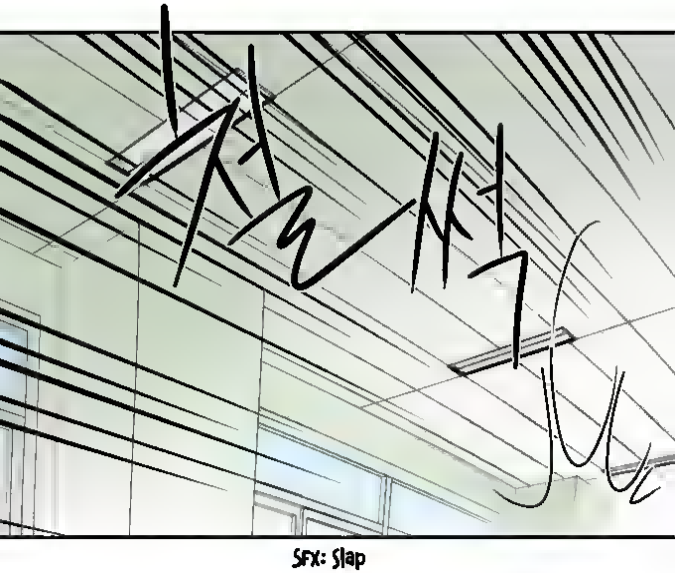


I got caught, by my girlfriend...

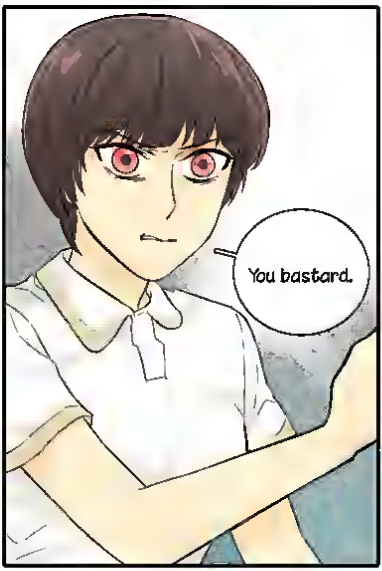


I-Is that so? That's good...
You did say you were going to break up with her...

I...
still like you...



SFX: Slap



You bastard.

Yeah...
You're right...
mumble...

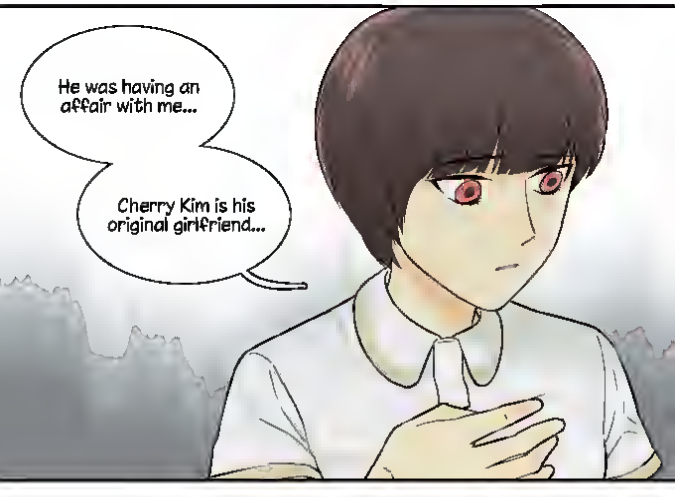
Ah, that story...?

I already knew that Mandarin Kim had another girlfriend.

What did you say?!
Her name is Cherry Kim.
WHAT ARE YOU SAYING?!

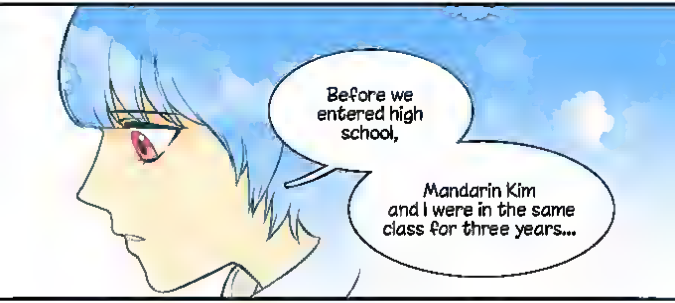
THEN YOU KNEW THAT MANDARIN WAS CHEATING AND YOU JUST LET IT GO?!
ARE YOU STUPID? DID YOU LIKE THAT JERK SO MUCH?!

That's a misunderstanding...
MISUNDERSTANDING, MY ASS...
ARE YOU PROTECTING HIM EVEN AFTER HE DID SOMETHING LIKE THAT?



He was having an affair with me...
Cherry Kim is his original girlfriend...

...What?
It's kinda complicated, but...



Before we entered high school,
Mandarin Kim and I were in the same class for three years...

Mandarin Kim was good-looking and really social, so he was the idol of our school

Hello, this is the South Ant.

Truthfully, it's nothing, but...

After suffering from a cold
that stuck to me like a tail for some
weeks... I could not meet the
deadline for Chapter 28.

I can't just send you, readers,
away, so I will tell you a story
about the early days of
<Cherry Boy, That Girl.>

You, the readers, asked me how the main character, Strawberry Shin from Season 1, would have looked if she had long hair.

Actually, Strawberry had long wavy hair in the first design.

The first Strawberry Shin →

However, the character Cherry Kim (cross-dressed Mandarin Kim) had to be the prettiest in the school....

← The first Cherry Kim

Because long-haired Strawberry Shin was as pretty as Cherry Kim, that design was rejected

I will recover from this cold and meet you guys again in Chapter 28.
To you, readers, stay healthy...

Ah-Young confessed to Darin and got rejected.
Ah-Young did?!
It must have really hurt her pride.

Maybe he's being approached 'cause it's almost graduation.
And they might end up in different schools.

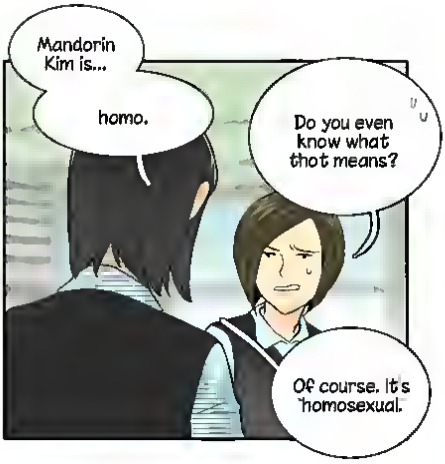
You also confessed to him.

I-I WAS JUST KINDA BLIND BACK THEN!!
Jeez, you're loud. I'll go deaf!
SFX: yell

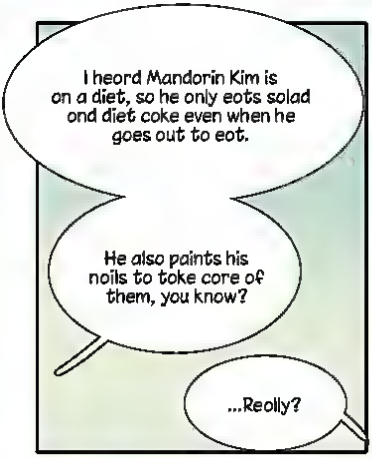
But does he really not have a girlfriend?
He gets along pretty well with the girls at our school, but...
what if he has a secret girlfriend from a different school?

No, he said he doesn't with his own mouth.
And you believe that?

Ah, maybe...
Smirk



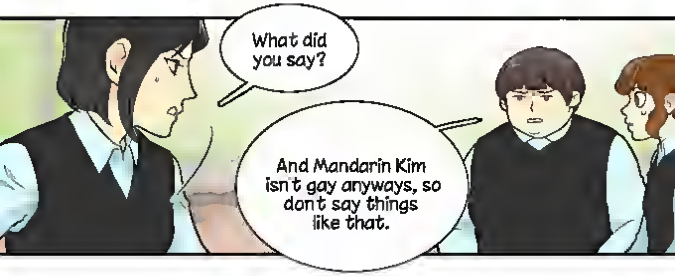
Mandorin Kim is...
homo.
Do you even know what thot means?
Of course. It's homosexual.



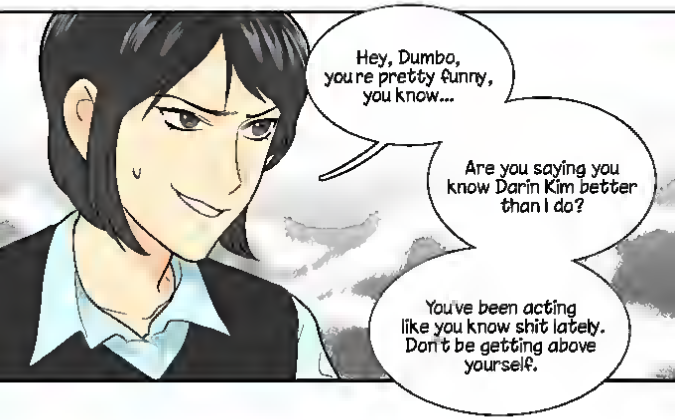
I heard Mandorin Kim is on a diet, so he only eats salad and diet coke even when he goes out to eat.
He also paints his nails to take care of them, you know?
...Really?

Does he think he's a girl or something? Such a pervert~
lol
Let's spread a rumor that he's gay and watch the response. It'll be a huge hit if it's true.
Stop it.

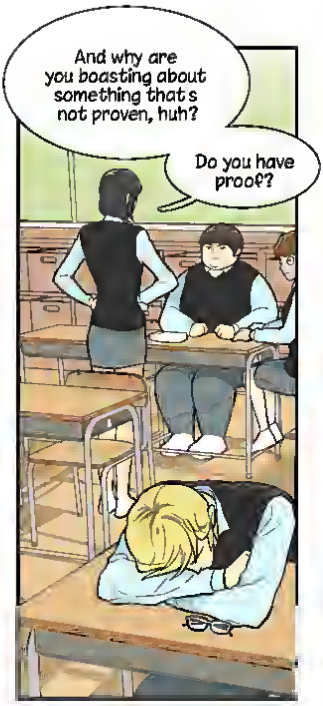
There's a difference between taking care of yourself and being homosexual.
Why spread it around when you don't know the truth?



What did you say?
And Mandarin Kim isn't gay anyways, so don't say things like that.



Hey, Dumbo, you're pretty funny, you know...
Are you saying you know Darin Kim better than I do?
You've been acting like you know shit lately. Don't be getting above yourself.



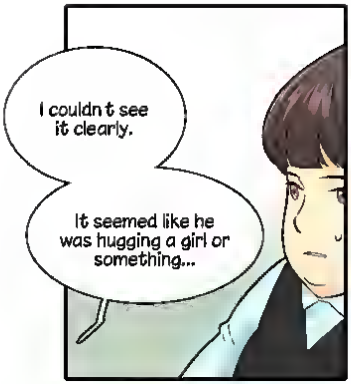
And why are you boasting about something that's not proven, huh?
Do you have proof?

That girl, Joo-Young Lim She confessed to Darin Kim not long ago, and now she's scheming...
I'll pretend like I'm sleeping for now
There'll be sparks flying everywhere...
grind
I'm going to tell Darin Kim exactly what she said.

I'm asking if you have proof that Mandarin Kim isn't gay!!
I do.

I saw Mandarin Kim with his girlfriend yesterday.

That was really Darin Kim...?
Y-you saw him, too?



I couldn t see it clearly.
It seemed like he was hugging a girl or something...

Then the reason why he rejected me was because..?
he already has a girlfriend?
I'm sleeping... I'm sleeping..

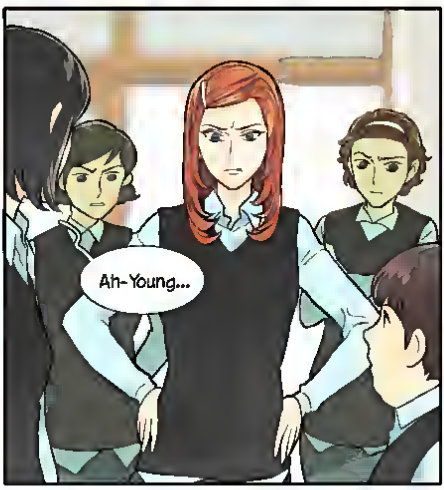
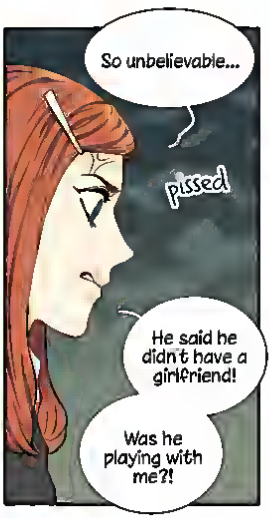
What you said just now, is it true?



Ah-Young...



So unbelievable...
pissed
He said he didn't have a girlfriend!
Was he playing with me?!

He said that to me, too!
He totally saw us as pushovers!
Are we his entertainment or something?
I'm so disappointed in him.
Um...
I'm also not sure...
Let's go confront him!!

Is it true that you have a girlfriend?!
Answer me!

Just a warning. don't even think about playing innocent.
She said she saw you with your girlfriend with her own two eyes.
Who said that?

Why are you saying that kind of lie?

Darin Kim and I were playing games in the PC room all day~!
I'll bear witness!
